Outline of this lecture

Health and the Welfare state

The Brazilian Unified Health System

The first 30 years of SUS and prospects for the future

International Profiles: The Brazilian Health Care System

Outline of this lecture

Health and the Welfare state

The Brazilian Unified Health System

The first 30 years of SUS and prospects for the future

International Profiles: The Brazilian Health Care System

Providing health care is a **welfare state** function: Public health care. Read chapter 29 of [Castles, 2010]'s book and ponder:

- ▶ How much do countries spend on **health care**?
- ▶ How does health care contribute to **economy, innovation and science**?
- ▶ What is the population reaction to constitutional “**right to health**”?
- ▶ How debates in **politics** and **public policy** affect health?
- ▶ What are the **functions and actors** involved in the health care?
- ▶ Which areas, divisions, units are **funded and involved** in healthcare?

- ▶ The origins and development of health policy in the modern state;

- ▶ The origins and development of health policy in the modern state;
- ▶ Health Care Systems: National health services, Social insurance, and Private;

- ▶ **The origins** and development of health policy in the modern state;
- ▶ **Health Care Systems**: National health services, Social insurance, and Private;
- ▶ **Finance** and the increased spending on health care;

- ▶ **The origins** and development of health policy in the modern state;
- ▶ **Health Care Systems**: National health services, Social insurance, and Private;
- ▶ **Finance** and the increased spending on health care;
- ▶ **Delivery**: Benefits, trends, privatization, and consequences;

- ▶ **The origins** and development of health policy in the modern state;
- ▶ **Health Care Systems**: National health services, Social insurance, and Private;
- ▶ **Finance** and the increased spending on health care;
- ▶ **Delivery**: Benefits, trends, privatization, and consequences;
- ▶ **Regulation**: the emergence of a managerial function in health care system;

- ▶ **The origins** and development of health policy in the modern state;
- ▶ **Health Care Systems**: National health services, Social insurance, and Private;
- ▶ **Finance** and the increased spending on health care;
- ▶ **Delivery**: Benefits, trends, privatization, and consequences;
- ▶ **Regulation**: the emergence of a managerial function in health care system;
- ▶ **Performance**: international comparisons, but failed.

Outline of this lecture

Health and the Welfare state

The Brazilian Unified Health System

The first 30 years of SUS and prospects for the future

International Profiles: The Brazilian Health Care System

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Before the Unified Health System, what was the Brazilian health system like?
- ▶ How was the creation of the Unified Health System?
- ▶ How do public and private healthcare work in Brazil?
- ▶ How does primary care (basic health care) work?
- ▶ How does secondary care (specialist care) work?
- ▶ How does tertiary care (hospital care) work?
- ▶ What are the future challenges for SUS?

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Brazilian historical development;

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Brazilian historical development;
- ▶ Background to the Brazilian health system;

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Brazilian historical development;
- ▶ Background to the Brazilian health system;
- ▶ The Brazilian health sector reform;

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Brazilian historical development;
- ▶ Background to the Brazilian health system;
- ▶ The Brazilian health sector reform;
- ▶ The Brazilian health system;

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Brazilian historical development;
- ▶ Background to the Brazilian health system;
- ▶ The Brazilian health sector reform;
- ▶ The Brazilian health system;
- ▶ Financing the system;

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Brazilian historical development;
- ▶ Background to the Brazilian health system;
- ▶ The Brazilian health sector reform;
- ▶ The Brazilian health system;
- ▶ Financing the system;
- ▶ Organisation, infrastructure (supply) and delivery of health services;

The Brazilian Unified Health System [Paim et al., 2011]

- ▶ Brazilian historical development;
- ▶ Background to the Brazilian health system;
- ▶ The Brazilian health sector reform;
- ▶ The Brazilian health system;
- ▶ Financing the system;
- ▶ Organisation, infrastructure (supply) and delivery of health services;
- ▶ Accessibility.

Outline of this lecture

Health and the Welfare state

The Brazilian Unified Health System

The first 30 years of SUS and prospects for the future

International Profiles: The Brazilian Health Care System

The first 30 years of SUS[Castro et al., 2019]

- ▶ How to scale universal coverage in a unequal country with relatively low resources?
- ▶ How political, legal, organisational and managing structures support healthcare?
- ▶ How to tackle persistent geographical inequalities?
- ▶ How to address insufficient funding?
- ▶ How to address poor private–public sector collaboration?

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020
- ▶ Changes in governance and organisation;

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020
- ▶ Changes in governance and organisation;
- ▶ The expansion of universal health-care access in Brazil;

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020
- ▶ Changes in governance and organisation;
- ▶ The expansion of universal health-care access in Brazil;
- ▶ Changes in financing;

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020
- ▶ Changes in governance and organisation;
- ▶ The expansion of universal health-care access in Brazil;
- ▶ Changes in financing;
- ▶ Changes in health-care services;

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020
- ▶ Changes in governance and organisation;
- ▶ The expansion of universal health-care access in Brazil;
- ▶ Changes in financing;
- ▶ Changes in health-care services;
- ▶ Private sectors on public health care;

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020
- ▶ Changes in governance and organisation;
- ▶ The expansion of universal health-care access in Brazil;
- ▶ Changes in financing;
- ▶ Changes in health-care services;
- ▶ Private sectors on public health care;
- ▶ Judicialisation of health care;

The first 30 years of SUS[Castro et al., 2019]

- ▶ Transitions in 30 years of the SUS: 1990-2020
- ▶ Changes in governance and organisation;
- ▶ The expansion of universal health-care access in Brazil;
- ▶ Changes in financing;
- ▶ Changes in health-care services;
- ▶ Private sectors on public health care;
- ▶ Judicialisation of health care;
- ▶ Future financing of the SUS.

Health and the Welfare state

The Brazilian Unified Health System

The first 30 years of SUS and prospects for the future

International Profiles: The Brazilian Health Care System

International Profiles: The Brazilian Health Care System [Thomson et al., 2012]

- ▶ How does **universal health coverage** work?
- ▶ What is the **role of government**?
- ▶ What is the **role of public health insurance**?
- ▶ System **organization**: federal, state and municipal control;
- ▶ The **private** health insurance;
- ▶ **Services** covered;
- ▶ **Cost-sharing** and **out-of-pocket** spending;
- ▶ Providers **payment**;
- ▶ **Physician** education and workforce;

International Profiles: The Brazilian Health Care System [Thomson et al., 2012]

- ▶ Primary care;
- ▶ Outpatient specialist care;
- ▶ Hospitals;
- ▶ Mental health care;
- ▶ Long-term care;
- ▶ Strategies to ensure **quality of care**;
- ▶ Strategies to **reduce disparities**;
- ▶ Strategies to ensure **system integration and care coordination**;
- ▶ **Electronic** health records;
- ▶ Strategies of **costs contained**;
- ▶ Innovations and reforms;
